

# AECB Funds Investments LLC – Finance Management

Only for Qualified Private and Institutional Clients

EQUITY	No
FIXED INCOME	Yes
MONEY MARKET	No
CASH FLOW SOLUTION	Yes

## Investment Form

- ✓ The AECB Funds Investments LLC offers investors a low risk, stable and attractive return profile by investing in a portfolio of global trade finance transactions.
- ✓ The funds aim to minimize price volatility and generate a stable and predictable investment return.

### Features

- ✓ Funds investments and finance management
- ✓ Earn 10% of the amount invested every week.
- ✓ Low volatility asset class that finances the real economy.
- ✓ Investments are typically short term.
- ✓ Structuring techniques employed to mitigate transaction risk.

### Benefits

- ✓ Fund aims to provide **capital preservation** and attractive weekly **income distributions**.
- ✓ Fund has low correlation to equity and fixed income markets.
- ✓ Limited exposure to a rising interest rate environment.
- ✓ Improved risk adjusted returns as banks reduce their exposure to trade finance transactions due to impending regulatory changes.

## Investment Guidelines

- ✓ Become an AECB account owner by contacting our sales department with the requested details to enable you create an online banking account. Email: sales@aecb-uk.com
- ✓ Deposit a minimum amount of \$99,999 USD to your AECB account by contacting our funding department to enable us credit your account. Email: funding@aecb-uk.com
- ✓ Once your AECB account has been credited, fill in this form with the amount you wish to invest, your full name, signature and date. Then send to us via Email: invest@aecb-uk.com
